Dear Ms. Bacon:

This letter is in response to your letter addressing review of our report:

Identification Number - C00197699

Reference - 12 Day Pre-General Report (10/1/02-10/16/02)

The contributions of two contributors were listed as possibly excessive.

Again, our software program identifies current campaigns with letters. The 2002 campaign was identified by "D", and the 2004 campaign was identified by "E".

In the case of Mr. Kulkaski the entries were all for the D (2002) campaign except for the two indicated on the enclosed chart. They were entered as the E (2004) campaign.

In the case of Mr. Babbio, I was in error attributing the contribution of 10/01/02 for \$1000 to a Mr. Babbio Jr.. In fact all the contributions under that name had come from the same person. I have returned the overcontribution to Mr. Babbio Jr. This refund will be appearing on our quarterly report, which is due on April 15, 2003.

Thank you very much for your instructions. If you have any further questions I can be reached at 609-267-8811.

Sincerely,

Patricia M. Walker
